EUROVINO – Parcel delivery

Dear EUROVINO 2027 exhibitors,

Please complete the fields on this parcel label and attach it clearly to the parcel or pallet. It does not necessarily replace the courier's label; you are responsible for the delivery costs.

Upon arrival at the exhibition centre, Kühne+Nagel will sort your consignment. On the set-up day, Saturday 27 February 2027, it will be taken to a central warehouse near the exhibition management office.

You may collect your delivery from there yourself. We will be happy to provide you with forklift trucks and hand trolleys.

Alternatively, you can have the delivery brought to your stand at a time of your choosing. Please book this service at least seven days in advance via customer.event@kuehnenagel.com or directly on the set-up day by calling +49 40 30333-2800.
